(1) system-wide rate: includes students that enter at one campus and return for a second year at that campus or any another MUS campus
(2) DCC & MCC data comes from IPEDS 2005 - 2009; 2010 & 2011 MUS Data Warehouse
(3) institutional rates provided by FVCC; system-wide rates derived from data match with MUS Data Warehouse
notes: A) students receiving 1-year Certificates within their first year are included in the numerator, Fall 2012 includes < 1 year certs, award_cat_code = '21'
B) embedded COT transfers to parent campuses are included in institutional retention rates (and vice versa, parent to COT)
