

# Summer 2018 Course Offerings

MSU-Northern offers courses online and courses in Havre, Great Falls and Lewistown. It is strongly recommended that you check the Banner Web Class Schedule for course updates to the summer catalog by going to <https://atlas.montana.edu:9002>. Pre-registration for summer courses begins March 19<sup>th</sup>. Please note any additional course fees are listed after the course titles.

Online courses are delivered using Brightspace (formerly D2L) and an account will be established for you when your registration is processed. Although you won't be able to log into your course until seven days prior to the start date of your course, it is critical that you access your Brightspace account for course-related materials before the first day of class. For further information regarding online courses, please go to [www.msun.edu/distance](http://www.msun.edu/distance).

Dates	CRN	Course No/Sect & Course Title	Credits & Instructor	Days/Time & Location
