

Wastewater Systems Helena May 14, 2019

Meet Your Instructors

Pete Boettcher, DEQ, has 27 years of experience in wastewater plants and 10 years with DEQ as a compliance inspector and 2 years working with operators on technical assistance. He is also certified as a class 1C and 1D wastewater operator in Montana and a Class A wastewater operator in the state of Michigan.

Josh Viall, DEQ, has 4 years of experience working at the Havre Wastewater Treatment Plant. He started with DEQ in October of 2018 working with operators on technical assistance. He has a bachelor's degree in Criminal Justice and is a certified 1C wastewater operator in Montana. Josh enjoys Drag Racing at the High-Line Dragstrip.
