

February 25, 2010

Greetings from MSU-Northern!

We are very excited to be providing another Technology-Knowledge-Exposition (TekNoXpo) program on April 21, 2010. We are cordially inviting the juniors and seniors from Montana High Schools to participate. Students will experience tours and demonstrations in the College of Technical Sciences, enjoy a delicious lunch BBQ lunch sponsored by industry, and participate in a Big Equipment Rodeo.

TekNoXpo registration is limited to the first 200 registrants, so the deadline is **April 1, 2010**. In addition, student and parent must complete a signed registration/ acknowledgement of risk form by the deadline in order to participate. I have enclosed a form for your convenience to be copied or downloaded from our website at www.msun.edu.

Students and participating schools are asked to arrive on campus by 9:00AM, Wednesday, April 21, 2010. Parking will be designated with signage. Buses will be greeted at the South entrance to campus, on 13th Street, to facilitate team assignments and parking. We'll wrap up and have everyone back on the road by 2:15PM.

Enclosed is a brochure for your information and you will be contacted by phone in the next few weeks to answer any questions or concerns. We would like to have an idea of how many of your students may be interested in participating in TekNoXpo. The sooner we know the better so we can accommodate your group or individuals. Registration must be confirmed by April 1, 2010.

Sincerely,

Christy Baker
