

# Northern Network News

November 3, 2006

By: Jim Potter, Director of University Relations

The Northern Network News is the official internal newsletter of MSU-Northern. When you have information you would like the campus to know about, e-mail it to Jim Potter at [potterj@msun.edu](mailto:potterj@msun.edu) and clearly mark it as for the NNN.

## Days off Next Week

There will be no school next Tuesday for voting day, so please vote! Also next Friday the campus will be closed for Veteran's Day. Therefore, there will be no Northern Network News next Friday.

## MyMSU Portal Tips

If you are getting kicked off the MyMSU Portal after a very short time, you can change your timeout to anywhere between 5-30 minutes. Just click on the My Account link on the top left corner of the page, and chose a different value. Please be sure that you log out of MyMSU when you are done using the site--this is especially important if you are on a public computer!

In case you didn't know: All email addressed to faculty and staff at their portal email address - @myportal.montana.edu - will automatically be forwarded to your @msun address!

## Faculty Award

Please take a minute to congratulate Krista Milligan for winning the "Outstanding Career and Technical Education Educator of the Year" two weeks ago during the MACTE convention. This award is given to recognize career and technical educators who have recently provided or currently are providing significant contributions to professional associations and career and technical education programs for youth and/or adults in their fields, communities and/or states. Recipients of this award must have made significant contributions toward innovative, unique and novel programs; and/or improvement, promotion, research or development of programs in career and technical education

## Football Game on the Radio

Just a reminder that you can listen to the Northern Lights Football game against Eastern Oregon tomorrow on KPQX 92.5 at 2:00 p.m. The game against Carroll and Montana Tech will be televised live over cable TV (Channel 43).

## Christmas Lights

Once again we are looking for people who are willing to help with Christmas Lights. The Christmas Lights committee met yesterday and has established a long-term plan for lighting campus. The plan moves away from lighting the trees because of the high cost and time associated with putting lights in the trees. Instead we are going to focus our attentions on the buildings. This year we are going to concentrate on Cowan Hall. If you are looking for a good end of the year contribution then please give toward the Christmas Lights project. All contributions must be made through the foundation.

## Career Center News

We continue to have a very active fall recruiting season in the Career Center. Additional information and sign-up sheets for interview times are available in the Career Center in Donaldson Hall. Upcoming recruiting visits for both full-time and Cooperative Education positions include:

**Rain & Hail, LLC – Nov. 8th.** They will present a General Information Session in Brockmann Center, Room 205 at 11:00 to discuss career opportunities with their company. No interviews are scheduled at this time. (Agriculture Students)

**Wartsila - Nov. 8th & 9th** - General Information Session on Wed. Nov. 8th at 9:00 a.m. in the Hensler Auditorium in the ATC Building interviews will in the Career Center. (Diesel & Automotive Students)

**Rio Tinto – Nov. 14th & 15th** Energy America (formerly Kennecott Energy)  
General Information Session on Tuesday, Nov. 14th, at 9:00 a.m. in the Hensler Auditorium in the ATC Building interviews will follow in the Career Center. (Diesel and Automotive Students)
