Show Your School Spirit!

This weekend is a great opportunity to show off your school spirit. There are a ton of excellent sporting events for you to attend. (See Upcoming Dates) The highlight of the weekend will be the football game on Saturday against Carroll College. We are ranked second in the Frontier conference and are facing the number one team in the nation. A win against Carroll this weekend puts us in great position to win or share a Frontier conference title and possibly host a National playoff game. This is the best game in the NAIA this weekend. **DO NOT MISS IT!** It is **NOT** sold out! Tickets will be sold at the gate. The bookstore has informed me that they have brought in some face paints and Northern apparel to help you show your school spirit.

Construction Update

This week they were able to put down a second layer of asphalt. In an effort to keep the project within budget the decision was made to not put a curb on the north side of the parking lot. Instead they plan to put 25 parking blocks along the north edge. It will make it easier and cheaper to expand the parking lot to the north in the future. The contouring of the land on the north side of the parking lot is to provide proper drainage. There are still a number of things that have to happen to the parking lot like lines, signs, blocks and drainage before it can be opened but it could be open within a few weeks weather permitting.
