The Filharmonic Wows Havre Audience

The Filharmonic is a five-man Filipino acapella group that's currently traveling from state to state on their very first country-wide tour, the "Get Up and Go Tour." They performed for an expectant Havre audience this week, and the men smiled and commented at the "wows" they heard whispered at the conclusion of the first song. They heard multiple exclamations of amazement throughout the performance. The Filharmonic truly awed the audience and mentioned that they enjoyed Havre's crowd because they were so "into" the songs. Visit: www.thefilharmonic.com for more information on this up-and-coming band.

2016 Athletic Hall of Fame Inductees Announced

The MSU-Northern Alumni Foundation is excited to announce the 2016 inductees for the Athletic Hall of Fame: Chad Edgar ('99) and Jaci Heny ('07). A special induction ceremony will be held on May 6 on MSU-Northern's campus.

Chad Edgar grew up in Billings, MT and in his senior year at Billings Skyview High School was an individual state champion as well as captain of Skyview's first-ever Class AA team championship. He attended North Idaho Junior College for two years before transferring to MSU-Northern in 1996. While at Northern Edgar was a standout competitor. During the 1996-97 season, he compiled a 38-6 record, placed 1st at the Northern Regional tournament, and placed 3rd at the National tournament. In the 1997-98 season Edgar's record was 22-5, and he placed 3rd at the Northern Regional tournament. Edgar was crowned NAIA 1998 National Champion in the 141 pound weight class. That year, with Edgar as the team captain, the Lights Wrestling Team won the NAIA National Championship.

After graduating from Northern in 1998 with a degree in Biology, Edgar returned to Billings where he served as assistant wrestling coach at Billings Skyview, helping the Falcons win two Class AA Championships. Edgar then moved back to Havre, where he has served as Havre High School's assistant wrestling coach for more than a decade, helping the Blue Ponies win eight Class A State Wrestling titles. In 2004 he was hired as Superintendent of Beaver Creek Park - the largest county park in the United States.

In addition to his work with Havre High School, Edgar has spent many years running Havre Middle School's wrestling program, organizing and hosting summer wrestling camps in Havre, and supporting Northern's wrestling program. He has been vital in helping Northern recruit Havre High wrestlers. Edgar and his wife Sara work and live in Beaver Creek Park with her daughter Keylee.

Jaci Heny started her career at Powell High School in Powell, WY under the tutelage of coach Dale Anne Meeker. She played on the varsity team for four years and was selected to both the All-Conference and All-State teams in 2001 and 2002. Heny attended Sheridan Junior College and played two years under coach Frank McCarthy. She was named to the Region IX All-Conference team and All-Tournament team in 2004.

After receiving an Associate of Science degree from Sheridan, Heny came to MSU-Northern to play for coach Chris Mouat. As a Skylight, Heny was selected to the All-Conference team in 2005 and 2006 and was selected to the 2nd team All-American in 2006. Heny currently holds five scoring records at Northern including: points in a single game (40), points in a season (616), highest season scoring average (20.5), and most free throws made and free throws attempted in a season (229/268). Heny is

9th on the list of Skylight all-time leading scorers with 1,045 points. After her final year of playing, Heny helped coach the Skylights in 2007 and earned a Bachelor's Degree in Health and Physical Education with a Minor in Coaching.

Heny accepted a teaching position in Douglas, WY and was named the head girls basketball coach. In her six years there, her teams amassed a record of 126 wins and 44 losses, won two regional championships, and were state runners-up once. Heny was named Conference Coach of the Year three times. She was instrumental in helping recruit Douglas High School grad and current Skylights point guard Molly Kreycik. During that time Heny also received a Master's in Coaching and Athletic Administration from the University of Concordia. In 2013, she was hired as the assistant coach at the University of Great Falls and in the 2014-15 season she helped lead the Argos to their first national tournament appearance and an elite eight finish. In 2015, Heny decided it was time to move home to Wyoming and accepted a position as Recreation Supervisor in Powell, WY, where she currently resides.

The Athletic Hall of Fame induction ceremony will be held in conjunction with MSU-Northern's Founder's Excellence Award presentation ceremony on May 6 in the Student Union Building Ballroom on MSU-Northern's campus. Cindy Small Named Pure Gold

Last week, our own Cindy Small was named the Pure Gold Award recipient of the week by MSU President Waded Cruzado. The following is her Pure Gold Award nomination submitted by her colleague Sandy Johnsrud:

"Cindy Small has worked at MSU-Northern for over 20 years, and is currently the Financial Aid Director. We are blessed to have her as a supervisor.

Cindy inspires us to be more caring individuals every day. She has repeatedly shown that she cares about us and our coworkers as individuals, not just employees. When we're having a rough day, she always asks if there is something she can do to help, and will drop what she's doing to follow through with her offer of assistance.

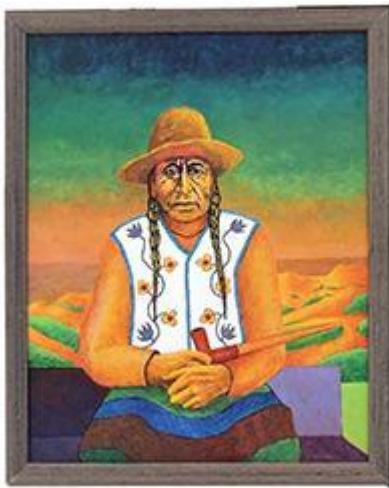

As a Financial Aid professional, Cindy is dedicated to ensuring the success of our students by going above and beyond to help them secure their aid for each academic year. She strives to improve and streamline our processes, and encourages us to do the same. Cindy is always learning, and inspires us to go to conferences, attend webinars, and read everything we can to learn about our ever-changing field.

Besides being a caring individual and dedicated professional, Cindy is extremely invested in our campus community. She supports all the sports teams and programs on campus. She spends every weekend attending events or games (usually multiple games). She enjoys attending the award events, graduations, pinning ceremonies, etc.

We think the students, faculty and staff are lucky to have someone like Cindy, with her experience and dedication, working on their behalf. She shows every day how she is Pure Gold!"

Artist of the Month

The artist of the Month at the MSUN Multicultural Center is Robert Gopher. The celebration of April is titled "Powwow Days" in honor of the 40th anniversary of the Sweetgrass Society powwow.

Gopher is presenting his piece "Chief Rocky Boy" which is a 16" x 20" acrylic on canvas. Gopher is rekindling his artistic fire after a break. This piece is a portrait of Chief Rocky Boy ... "based on conversations I had with my mother and photographs I have seen. Chief Rocky Boy was one of the founding fathers of the Rocky Boys Indian Reservation." He adds... "I was told he referred to my grandfather as nephew." Gopher explains this piece is a humble tribute to his ancestors for their work and sacrifices in finding and securing his homeland.

Gopher's style is contemporary with Native and non-Native imagery, and he explains that it is all about composition and color. He adds that the Renaissance painters broadened his appreciation of the arts and the Post-Impressionists are his inspiration. In this particular painting, as with

several others, he likes to incorporate landscape since the land and environment are connected to his Native beliefs in many ways. In many of his works he tends to include "the beauty of the Bears Paw Mountains, a place of solace and home."

Weekly Columns

TidBits

By Bill Lanier

While the basketball season did not end the way we all had hoped, there were still many positives from this past season. There was one individual who has separated herself from the rest, and that student-athlete is Natalie Faupel. Natalie had an outstanding season. Here are her accomplishments for the year: Academic All-Conference, Academic All-American, 1st Team All-Conference, Frontier Conference Player of the Year, NAIA 1st Team All-American and Women's Basketball Coaches Association (WBCA) NAIA All-American Team.

In Natalie's three years, the Skylights have a win-loss record of 74-25. The Butte native has now scored 1,260 points in her career, and that places her as number 7 in Skylight basketball history. Through her first three years (with one remaining), this places her only 306 points behind the all-time leader, Sheila Green.
