## Lights Wrestling Team Takes Second in the Nation

Northern's wrestling team finished the year with a dual meet record of 10-2, a first place trophy at the West National Qualifying Tournament (first time since 2004), and second place at the NAIA National Championships. The team consisted of six freshmen, two juniors, and two seniors. Coach Tyson Thivierge said, "We competed in Topeka, Kansas, and we were able to garner many accolades by the end of the tournament. We still have a lot of work to do, but the future is bright and the guys are excited to continue to pursue the National Championship." Not only did the team bring home six All-American wrestlers, but they brought home three Academic All-Americans, and for the third year in a row, the Lights wrestlers received the honor of Sportsmanship of the Year award, an award voted on by the NAIA coaches association. The following is how our athletes did in the tournament:

- 125-Quintel Fuchs, freshman, 6<sup>th</sup>
- 141-Matt Weber, freshman, 3<sup>rd</sup>
- 174-Willie Miller, senior, 4<sup>th</sup>
- 197-Garrett DeMers, junior, 3<sup>rd</sup>, and Academic All-American
- 285-Taylor Kornoely, junior, 2<sup>nd</sup>

285-Toby Cheff, senior, 7<sup>th</sup>

Blake Ivie (133, freshman), Drake Randall (149, freshman), Brandon Weber (157, freshman), and Andy Bartel (165, freshman) also competed at Topeka.

Of those student-athletes not competing at nationals, Tommy Cooper and Riley Miller were named Academic All-Americans. Junior Garrett DeMers received his third All-American title by placing third at 197. Toby Cheff, at 285, also garnered his third All-American honor by placing seventh. Riley Miller received his second Academic All-American honor. For Tommy Cooper, it was his first time as an Academic All-American. Congratulations Lights wrestling team! You make Northern proud!

## Skylights Basketball Team Head to Nationals

For the third consecutive season, the MSU-Northern Skylight basketball team has qualified for the NAIA Division I National Tournament. Seeded 4th in their bracket, they will match up Wednesday at 11:00 a.m. MST against Benedictine College from the Heart of America Conference. Benedictine finished ranked #19 in the final NAIA poll with an overall record of 26-6 and is the seeded 5th in the eight-team quadrant. Click on Image to watch the video

Last weekend was the debut of MAT's *Mary Poppins*, and the shows were well-attended and greatly enjoyed. The cast continues to offer their delightful show this weekend.

The story centers on the Banks family, and in particular, the children, Jane and Michael, who are a bit out of control and in need of a new nanny. The family members' opinions differ when it comes to what kind of nanny to hire. They are all surprised and changed after meeting and spending time with the mysterious woman called Mary Poppins.

Casey Pratt and Rachel Dean are directing the show, and it will continue running March 11-13, and 17-19. Evening performances will begin at 8 p.m., Sunday matinees will begin at 2 p.m. Doors and backstage lounge open thirty minutes before each show. Adults can attend the play for \$20. Seniors, students, and military members can attend for \$15, and children's tickets are \$10. MSU-Northern students, staff and faculty attend for free with current student I.D.s. on a space available basis.

## Northern Celebrates Irish-American History Month

In celebration of Irish-American history month, the Bullhook Bottoms Barbershop Chorus gave a concert filled with traditional Irish tunes, while the participants enjoyed Irish food in the food court. This event was suitable for old and young alike as families in the community attended it as well.

The Bullhook Bottoms Barbershop had a repertoire of traditional Irish tunes specially selected for the occasion. The group has been singing a cappella music in the Havre area for over 25 years, and they have members from Havre, Chinook, and Inverness.

They meet every Thursday at 7:00pm. Interested men can contact Byron at 265-2198.

## Little River Institute New Campus Location

You can now find the Little River Institute located on the top floor of the Student Union Building in the Crowley Conference Room. The new space provides a welcoming environment for students to study, have

a snack, or visit. It is currently staffed by the Little River Institute Program Director, Erica McKeon-Hanson (far right), and students (LtoR) Evie RedBoy and Mia LameBull. In addition, the Little River Institute is also the meeting place for the Sweetgrass Society and Northern Native Alumni Association. The MSU-Northern students, faculty, staff and administration as well as the community are welcome to stop by to say hello.

The Little River Institute on the campus of Montana State University-Northern is funded by the U.S. Department of Education's Native American Serving Non-Tribal Institutions (NASNTI) program. The goal of the new program is to provide students with access to culturally responsive tutoring and mentoring services, to provide faculty opportunities to engage in professional development on the topics of cultural responsiveness, and to foster the integration of technology in teaching. In addition, the institute's location provides a gathering space where students can participate in the campus activities sponsored in cooperation with the Sweetgrass Society.

## Agribusiness Committee & PAS Club Read & Feed

The Agribusiness Committee of the Havre Area Chamber of Commerce recently donated \$250.00 to Highland Park School in Havre so they could purchase agriculture themed books for their school library. The Committee has done this for a number of years. On Thursday, March 10, Agribusiness Committee members teamed up with the Montana State University-Northern Postsecondary Agriculture Students (PAS) Club to introduce the new agriculture books to eight classes of first graders. The agriculture books were read to the students and the group shared the story of farmers and ranchers and food production. The first graders were then served chocolate milk and cookies in the shape of "A"s and "G"s which the Agribusiness Committee and our agriculture system provided.

## Safe Zone III, Unpacking and Undoing Individual Heterosexism

Students, faculty, staff, and service providers in the community participated in the Safe Zone Module III "Unpacking and Undoing Heterosexism." This module is focused on examining individual heterosexism, transnegativity, microaggressions (and solutions to avoid them). It additionally covered a discussion about heterosexual and cisgender privilege. Those interested in finding more information about future Safe Zone trainings can contact the Multicultural Center at 265-3589 or Student Support Services, Counseling Office at 265-3164.

## Alternative Spring Break Plans for the Penny Pincher - Part 2

By Kimmi Boyce

Last week I shared some money-saving lodgings to consider for a frugal Montana spring break trip, but there are those who just can't handle the idea of staying in Montana for spring break. If you must escape Montana for a time, but your wallet's restricting you from going too far, here are some Montana borderland destinations the low gas prices might allow you to enjoy.

### Canada

- Attraction: Writing-on-Stone Provincial Park in Alberta brags some amazing rock formations called "hoodoos" along with a mind-blowing concentration of First Nation petroglyphs and pictographs.
- Lodging: camping (starting at \$12) or comfort camping (starting at \$115) in the park

### Idaho

- Attraction: Craters of the Moon National Monument and Preserve is a crazy looking landscape that covers an area about the size of Rhode Island. It's rugged land you could definitely spend a day or two exploring.
- Lodging: There are some cheap hotels in Arco, Idaho near the site, but if you want to splurge and drive a bit more for a memorable experience, drive over to Pocatello and stay in the (semi-cheesy but luxurious) Black Swan themed suites

### North Dakota

- Attraction: North Dakota Heritage Center in Bismarck is an indoor adventure exploring the state's rich history (and it's a good thing it's inside, because it seems like most of the state's outdoor attractions don't open up until May)
- Lodging: For a cute and cozy stay, visit Kay's Bed and Breakfast in Bismarck. Kay's place has great ratings for her comfort food and welcoming ambience.

### South Dakota

- Attraction: Be cliché. Do it. Go see Mount Rushmore! Those big stone noggins are beckoning you.

- Lodging: Pine Rest Cabins in Hill City are a bit pricier, but they have great ratings and a secluded cozy feel.

## Wyoming

- Attraction: There are so many places to visit in Wyoming, so why not stop at them all? Visit Yellowstone National Park, Devil's Tower, Jackson Hole and all those well known places. But if you want something a little more off the beaten path, check out Cody, Wyoming. Cody is a cute touristy town tucked in the mountains. There are plenty of museums and outdoor attractions. And while you're in the area, don't forget the Meeteetse Chocolatier and try some decadent creations from the middle of nowhere!
- Lodging: There are multiple B&Bs in Cody, but the Southfork Bed and Breakfast seemed to boast some pretty happy lodgers.

Whatever you do, wherever you go for spring break, whether you do fly off to Hawaii or whether you stick around good ole MT, remember "carpe diem." Seize the day. Make the most of your time off, and enjoy all the attractions and beautiful landscape around you. Make both friends and memories.

### **TidBits**

By Bill Lanier

By now many of you know that Northern finished second at the NAIA National wrestling tournament (the 14th time Northern has finished in the top three). You also may know that the following wrestlers earned All-American status: 125 Quintel Fuchs - 6th, 141 Matt Weber - 3rd, 174 Willie Miller - 4th, 197 Garrett DeMers - 3rd, 285 Taylor Kornoely - 2nd and Toby Cheff - 7th.

But the 2015-16 Northern wrestling team accomplished something that has never happened in Northern wrestling history, and that is having three Academic All-Americans. Congratulations to Riley Miller, Tommy Cooper, and Garrett DeMers. Northern has now produced 25 Academic All-Americans.

On another note, Toby Cheff became a three-time NAIA All-American for Northern. Did you know that his father, Mick Cheff, was a two-time NAIA National Champion for Western Montana College? Mick Cheff is also in the Western Athletic Hall of Fame. Congratulations, Toby, on an outstanding career at Northern.
