**Fifth Annual Suicide Awareness Walk – Sept. 12**

The 5th Annual Suicide Awareness Walk is scheduled for Thursday, September 12, on the MSUN Campus. The theme this year is "It's time: To ask, To listen, To support." Participants should begin gathering at the clock tower on campus (behind Cowan Hall) at 6:30 p.m.

Thanks to the generous support of community businesses and individuals, t-shirts will be provided free until they run out. A remembrance wall will be set up for those wishing to celebrate the life of a loved one through posters, photos, etc. Speakers will begin at 7:00. As stories are healing, an opportunity for community members to share how suicide has affected their lives will follow the speaker.
The walk around campus will commence following the sharing. Participants will then be asked to come together in the MSUN/MAT Theatre for a short (20-minute) play, “It’s Time” written by local author, Mark Cichosz. The play focuses on the thoughts and emotions of those affected by suicide.

For additional information, contact Amber Spring at amber.spring@msun.edu or 265-3599 or check out the event on Facebook!

The NNN TidBit would like to wish all Northern students, faculty, staff, alumni, and friends of Northern a safe and enjoyable new school year. For those of you who are new to the NNN, welcome! To returning readers, welcome back. The NNN TidBit is a weekly column centered on Northern, alumni, or various other Northern connections. The first TidBit appeared in the January 26, 2007 issue of the Northern Network News.

Just as in previous years, I would like to start the year off with "The Mindset List." In the fall of 1997, Ron Nief, Tom McBride, and Charles Westerberg of Beloit College created the first “The Mindset List” to give faculty a sense of reference for the incoming freshman class (traditional age students). Every August since then, they have created and distributed "The Mindset List." This list is interesting for all to read and enjoy. Just a warning, for those over the age of 30 chances are it will make you feel a lot older. Keep in mind that the year on the list is stated as the year the prospective students would graduate with a four-year degree. The students entering this fall (2019) are addressed as the class of 2023. For the previous 21 lists, it was affiliated with Beloit College and was “The Beloit College Mindset List.” This is the first year the affiliation is with Marist College and is now called “The Marist College Mindset List.”

Ron Nief, Director Emeritus of Public Affairs at Beloit College, created this year’s “Marist Mindset List” along with educators Tom McBride, Charles Westerberg, Martin Shaffer, and Tom Zurhellen. Here is this year’s list:
