      ii. Waiting for Virgil Hawkinson’s retirement letter – have not received one
3. Policy: 404 Degree Check Requirement;
   a. Motion made/2nd to accept - discussion
   b. Changes shown in red were gone through and discussed
For consistency in 6 c and d change the word “information” to “program sheet”

d. Degree Check Policy wording put on hold to discuss Alisha’s graduation draft policy
e. Graduation “Draft Dream” tabled to discuss Draft 1 – can be discussed later
f. Graduation policy, traditional one, discussion of Draft 1
   i. #4 scratch out “(if applicable)” in either Draft
   ii. Change the word “Policies” to “Procedures” – cannot do according to Chancellor’s office

g. Both Graduation Drafts were tabled so the material can be read and processed and to
get a corrected Dream Draft without words lined through

4. Early Alert/Midterm grades – Information for Academic Council
   a. Noel Levitz is back the beginning of March
   b. Rosalyn and Stuart co-chairing a committee about early alert system
      i. After brainstorming and work group should have new early alert system
   c. Looked at current Early Warning System from Northwest Progress report
      i. According to Noel Levitz only 25% of MSUN faculty have used this system
      ii. Has response rate changed since the system was updated
      iii. TRIO Grant required tracking the students that are at risk
      iv. Requiring tests in the first week of class to see student standings
      v. Can’t the Desire 2 Learn be a platform for all faculty?
         1. Midterm grades are already calculated in this system
         2. How many use the D2L system?
            a. Early alert system could be placed within the shell
            b. Can’t faculty be made to use the system and the grade book
               and as their email?
            c. Randy-75% of faculty are using D2L but not grade book
            d. Some requires that syllabus be posted electronically
   d. Samples and studies in info packet for members to go through
   e. Who is in charge/oversees the process will be ironed out with Noel Levitz
      i. MSUN needs a system – should be in place Fall 2013

      models available

6. Enhanced Advising – big gap

7. Financial success

8. Service excellence
9. Chair and Dean Evaluation – Discussion and input
   a. Chair Evaluation comes from the CBA 6.5.E
      i. No form was set up
      ii. On form is actual duties of the Chair
      iii. Would like to put this out this Spring for each College to rate each Chair
      iv. Norton suggested that the form, as is, does not give him the feedback he could use
      v. Suggested using a scale of 1 to 10 or 1 to 5 to be more specific
      vi. Question: Will create a scale from 1 to 5 for the Chair Evaluation
      vii. CBA says Chair will be evaluated annually – using exact duties from CBA
      viii. Norton wants to know if faculty should have input into the evaluation form – wants form to go to college faculty meeting to discuss this form
      ix. Motioned and seconded to move the updated (scale) form to the College Leadership and faculty meeting. Input and discussion will come back to Academic Council for a document to be created. More faculty input may be needed for finalizing the evaluation form. Friendly amendment to update using scale.
      x. Once faculty has had input into the form it could be taken to the Union leadership
      xi. Passed with voice vote
   b. Dean Evaluation comes from duties listed for each Dean – much heated discussion
      i. Removing the part that says “working with the Provost”? Faculty may know already
      ii. Will change to scale as in Chair Evaluation
      iii. Greg is wondering why faculty is evaluating the Dean. Should be Provost reviewing the Dean?
      iv. Evaluations should only go the evaluated as formative for the Chair/Dean
      v. Darlene – why are evaluations so feared? Rosalyn agreed. Faculty is evaluated all the time to see what students think.
      vi. Rosalyn will evaluate Deans
   c. Both forms will be brought back to Academic Council with scaling added

10. Meeting adjourned at 1:35pm
