Application for Designation as an Eligible Institution 26
(ED Form 1049)

Federal Register Closing Date Notice Inviting Applications 29
Dear Applicant:

We are pleased to provide the application package for fiscal year (FY) 2015 Designation as an Eligible Institution under the following Title III and Title V programs of the Higher Education Act of 1965, as amended.

- STRENGTHENING INSTITUTIONS PROGRAM (SIP)
- ALASKA NATIVE AND NATIVE HAWAIIAN-SERVING INSTITUTIONS (ANNH) PROGRAM
- NATIVE AMERICAN-SERVING NONTRIBAL INSTITUTIONS (NASNTI) PROGRAM
- DEVELOPING HISPANIC-SERVING INSTITUTIONS (HSI) PROGRAM
- HISPANIC-SERVING INSTITUTIONS STEM and ARTICULATION (HSI STEM) PROGRAM
- PROMOTING POSTBACCALAUREATE OPPORTUNITIES FOR HISPANIC AMERICANS (PPOHA) PROGRAM
- ASIAN AMERICAN AND NATIVE AMERICAN PACIFIC ISLANDER-SERVING INSTITUTIONS (AANAPISI) PROGRAM
- PREDOMINANTLY BLACK INSTITUTIONS (PBI) PROGRAM

This application package includes the information and instructions that you need to apply for eligibility designation. Eligibility designation qualifies an institution of higher education (IHE) to apply for grants under the above Title III and Title V programs, provided the institution meets certain additional program specific eligibility requirements.

The purpose of these programs is to provide funds to eligible institutions of higher education to increase their self-sufficiency by improving their academic programs, institutional management, and fiscal stability.

In addition, this application package may be used by IHEs to apply for a waiver of certain non-Federal cost-share requirements under the following programs:

- FEDERAL WORK-STUDY (FWS) PROGRAM
- FEDERAL SUPPLEMENTAL EDUCATIONAL OPPORTUNITY GRANTS (FSEOG) PROGRAM
- TRIO STUDENT SUPPORT SERVICES (SSS) PROGRAM
• UNDERGRADUATE INTERNATIONAL STUDIES AND FOREIGN LANGUAGE (UISFL) PROGRAM

Read this package in its entirety before you begin to complete the application. It is essential that you provide sufficient responses to all applicable questions and enter the correct data throughout the application.

• All institutions interested in applying for a new FY 2015 Title III or Title V grant and/or the non-Federal Cost-Share Waiver MUST apply for eligibility designation by December 18, 2014.

• You must reapply for eligibility each year that you wish to apply for a new grant award even if Title III or Title V grants, in subsequent fiscal years, are made by funding down a slate from a previous competition.

• IHEs currently receiving Title III or Title V funds do not need to apply for eligibility designation unless they intend to apply for a new grant. IHEs designated as Historically Black Colleges and Universities or Tribally Controlled Colleges and Universities are exempt from the non-Federal cost-share match requirement and do not need to apply for eligibility designation.

• FY 2015 applicants will report their required student head count figures based solely on their 2012 fall semester enrollment.

• To further assist you in determining the low-income levels of your students, we have included (in the Federal Register notice) the 2012 low-income figures, as determined by the U.S. Census Bureau. The term “low income individual” means an individual from a family whose taxable income for the preceding year did not exceed 150 percent of an amount equal to the poverty level established by the U.S. Census Bureau.

• Only the main institution may receive the waiver of the non-Federal cost-share requirements for FWS and FSEOG. Branch campuses are ineligible to receive this waiver. The waiver is effective for one year.

• If you are a current Title III or Title V grant recipient or are awarded a Title III or Title V grant, the non-Federal cost-sharing is waived for FWS and FSEOG for the duration of the grant.

• If you receive a grant from the UISFL or SSS program, you may receive a waiver or reduction of the required non-Federal share for institutions for the duration of the grant.

All applications must be submitted electronically. The deadline is December 18, 2014.

Once you submit your eligibility application online, print a copy for your records.
If you need further assistance, contact us at the telephone numbers or e-mail addresses cited in this application package.

Sincerely,

/s/

Throughout this application package we refer to certain sections of program regulations. In the event that you wish to reference the regulations governing the Title III and Title V programs, you may do so at the following Web site:

Only individual accredited institutions, including eligible branch campuses, may apply for designation as an eligible institution. The regulations at 34 CFR Part 606.2(a)(6) and 607.2(a)(4) outline the accreditation requirements. A higher education system, foundation or district may not apply on behalf of individual institutions.

Only submit data pertinent to your individual institution. Do not include data that is reported as part of a single filing by a higher education system or district.
Designation As An Eligible Branch Campus

To be designated as an eligible branch campus, the branch campus must meet the needy student enrollment requirement, the Core Expenses requirement, and the definition of a branch campus. The regulations at 34 CFR Part 606.7(b) and 34 CFR Part 607.7(e) define “branch campus” as a unit of a college or university that is geographically apart from the main campus and independent of that main campus. We consider a unit of a college or university to be independent of the main campus if the unit is permanent in nature; offers courses for credit and programs leading to an associate or bachelor’s degree; is autonomous to the extent that it has its own faculty and administrative or supervisory organization; and its own budgetary and hiring authority. If your institution is applying for eligibility as a branch campus, provide the eligibility data pertinent to the branch campus.

Enter this number in the space provided.
PART III - INSTITUTIONAL STATISTICS

ITEM 1. NEEDY STUDENT REQUIREMENT

Fill out Part III, Items 1A through 1D, using the following instructions.

ITEM 1.A. FALL 2012 HEAD COUNT ENROLLMENT OF UNDERGRADUATE AND GRADUATE DEGREE STUDENTS

Determine the institution's total 2012 fall semester head count of undergraduate and graduate students who were enrolled in a degree program. The regulations at 34 CFR Part 606.7(b) and at 34 CFR Part 607.7(e) define “degree student” as a student who enrolls at an institution for the purpose of obtaining a degree, certificate or other recognized educational credential offered by that institution. We consider the transcript that a student receives for the successful completion of a two-year transfer program to be an “other recognized educational credential.”

Do not include foreign students who are not eligible to participate in Title IV need-based assistance programs.

Determine the undergraduate student head count by including all undergraduate students who were enrolled in a program that resulted in the award of a bachelor’s degree. Include those enrolled in a two-year transfer program and those enrolled in a two-year educational program that resulted in the award of an associate degree. Include those enrolled in a vocational or technical program of at least two years in length that resulted in the award of a certificate that testifies that the student qualifies to work as a technician or at the semiprofessional level in technological fields.

Enter the total in the space provided under Part III, Item 1.A.

ITEM 1.B. FALL 2012 RECIPIENTS OF TITLE IV NEED-BASED FINANCIAL ASSISTANCE

Determine the institution's total 2012 fall semester unduplicated student head count of degree students who received any of the following Title IV need-based assistance: Federal Pell Grant, Federal Work Study, Federal Perkins Loan or Federal Supplemental Educational Opportunity Grant. To compute the unduplicated student head count, count each student who received Title IV need-based assistance, regardless of the number of need-based programs in which the student participated. If a student participates in multiple need-based programs, that student is to be counted only once.

Enter the total in the space provided under item Part III, Item 1.B.
ITEM 1.C. FALL 2012 ENROLLMENT OF HALF TIME, UP TO AND INCLUDING FULL-TIME, UNDERGRADUATE STUDENTS

Determine the institution's total 2012 fall semester undergraduate head count of students who were enrolled at least half time in degree programs at your institution.

Do not include foreign students who are not eligible for Title IV need-based financial assistance.

Enter the total in the space provided under Part III, Item 1.C.

ITEM 1.D. FALL 2012 PELL GRANT RECIPIENTS ONLY

Determine your institution's total 2012 fall semester undergraduate head count of students who received Pell Grants for the 2012-2013 academic term. Include Pell Grant recipients who were enrolled in a program on at least a half-time basis.

Enter the total undergraduate head count of Pell Grant recipients in the space provided under Part III, Item 1.D.

ITEM 2. CORE EXPENSES REQUIREMENT (FORMERLY KNOWN AS EDUCATIONAL AND GENERAL (E&G) EXPENDITURES REQUIREMENT)

Use the following instructions to complete items 2.A through 2.D.

ITEM 2.A. UNDERGRADUATE FULL-TIME EQUIVALENT, FALL 2012 ENROLLMENT

Determine your institution's full-time equivalent (FTE) 2012 fall semester enrollment of undergraduate students. The regulations at 34 CFR Part 606.7(b) and 34 CFR Part 607.7(e) describe how to calculate your FTE enrollment and the instructions below paraphrase those regulations.

Based on the full-time load at your institution, count a full-time undergraduate student as one FTE.

Determine the FTE for part-time undergraduate students by entering the total number of credit hours of all part-time undergraduate students. The total will automatically be divided by 12. The result is the FTE for part-time undergraduate students.

The system will then add the total (full-time AND part-time) undergraduate students. The result is the total number of undergraduate FTE for FY 2012 enrollment.

NOTE: This number should not exceed the total institutional enrollment entered under Part II, Item 1.
**ITEM 2.B. GRADUATE FULL-TIME EQUIVALENT 2012 FALL ENROLLMENT**

Determine the institution's FTE 2012 fall semester enrollment of graduate students, if any, including both full-time and part-time students, as explained here.

Based on the full-time load at your institution, count a full-time graduate student as one FTE.

Determine the FTE for part-time graduate students by entering the total number of credit hours of all part-time graduate students. That number will automatically be divided by 12. The result is the FTE for part-time graduate students.

Calculate the total graduate FTE by adding the FTE of full-time graduate students to the FTE of part-time graduate students, then multiply this total by a factor of 2.5. This final figure is the graduate FTE. The use of the 2.5 factor is required by the Department’s regulations at 34 CFR 606.4(a) (2) and 607.4(a) (2) to account for higher educational and general expenditures for graduate versus undergraduate students.

The system will then add the total (full-time plus part-time) graduate students. The result is the total number of graduate FTE for FY 2012 enrollment.

**ITEM 2.C. TOTAL CORE EXPENSES**

Determine the institution’s Core Expenses for 2012-2013. Core Expenses are defined as the total expenses for the essential education activities of the institution. Core Expenses for public institutions reporting under the Governmental Accounting Standards Board (GASB) standards include expenses for instruction, research, public service, academic support, student services, institutional support, operation and maintenance of plant, depreciation, scholarships and fellowships, interest and other operating and nonoperating expenses. Core Expenses for institutions reporting under the Financial Accounting Standards Board (FASB) standards (primarily private, not-for-profit and for-profit) include expenses for instruction, research, public service, academic support, student services, institutional support, net grant aid to students, and other expenses. For both FASB and GASB institutions, core expenses exclude expenses for auxiliary enterprises (e.g., bookstores, dormitories), hospitals, and independent operations. ([http://nces.ed.gov/ipeds/glossary/?charindex=C](http://nces.ed.gov/ipeds/glossary/?charindex=C)).

Do not include Federal student financial aid.

Enter the total 2012-2013 Core Expenses in the space provided under Part III, Item 2.C.

**ITEM 2.D. AVERAGE CORE EXPENSES PER FTE STUDENT**

The system will calculate the institution's average Core Expenses per FTE for 2012-2013.
PART IV. SPECIFIC INSTITUTIONAL ELIGIBILITY REQUIREMENTS

ITEM 1. NEEDY STUDENT REQUIREMENTS

Use the following calculations to determine whether your institution meets the needy student requirement in at least one of two possible ways.

YOUR INSTITUTION MEETS THE NEEDY STUDENT REQUIREMENT IF:

A. At least 50% of its 2012 fall semester, unduplicated student head count of undergraduate degree students received financial assistance under one or more of the following programs: Federal Pell Grant, Federal College Work-Study, Federal Perkins Loan or Federal Supplemental Educational Opportunity Grant Programs (Part III, 1B).

Or

B. The percentage of its 2012 fall semester, undergraduate degree students who were enrolled on at least a half-time basis and received Federal Pell Grants exceeded the median percentage of undergraduate degree students who were enrolled on at least a half-time basis and received Federal Pell Grants at comparable institutions that offered similar instruction (Part III, 1D).

ITEM 1. A. AT LEAST 50% OR MORE OF FALL 2012 DEGREE STUDENTS WERE RECIPIENTS OF NEED-BASED FINANCIAL SUPPORT

If your institution meets the needy student requirement because 50 percent or more of its 2012 fall semester enrolled degree students received the above-mentioned Title IV need-based financial assistance, select Part IV, Item 1.A. If the percentage turns out to be less than 50%, DO NOT select Part IV, Item 1.A.
EXAMPLE: Needy Student Calculation

To determine whether your institution meets the statutory needy student requirement for 2012-2013, divide the number of 2012 fall semester, Title IV recipients (Part III, Item 1.B) by the 2012 fall semester enrollment of degree students (Part III, Item 1.A). The result (Part III, 1.B., divided by Part III, 1.A) is the percentage of needy students enrolled in the institution for the base year. If the result is 50 percent or more, your institution meets the statutory needy student requirement threshold. The regulations at 34 CFR Part 606.3(a)(1) and at 34 CFR Part 607.3(a)(1) describe the needy student requirement.

Example

2012 fall semester enrollment (Part III, 1.A) = 800 degree students
2012 fall semester Title IV recipients (Part III, 1.B) = 600 students
Percentage of recipients of need-based financial support
= 75% (600 divided by 800)

The example institution meets the needy student requirement because 50 percent or more of its 2012 fall semester degree students received need-based financial support.

ITEM 1.B. THE PERCENTAGE OF FEDERAL PELL GRANT RECIPIENTS AT THE APPLICANT INSTITUTION EXCEEDED THE MEDIAN PERCENTAGE AT SIMILAR INSTITUTIONS.

If your institution meets the statutory needy student requirement because the percentage of its 2012 fall semester enrolled students that received Pell Grants exceeded the median Federal Pell Grant percentage for its category of institutions (see below), check Part IV, Item 1.B. If your percentage does not exceed the median Federal Pell Grant percentage for your category of institutions, do not check Part IV, Item 1.B.

If the institution meets both Part IV, Items 1.A and 1.B, select Part IV, Item 1.A only.
Needy Student Calculation

To determine if your institution meets the statutory needy student requirement for 2012, divide the number of 2012 fall semester Pell Grant recipients (Part III Item 1.D) by the 2012 fall semester enrollment of half-time up to and including full-time degree seeking students (Part III Item 1.C). The result (Part III, 1.D, divided by Part III, 1.C) is the percentage of Pell Grant recipients enrolled in the institution for the base year. If this result exceeds the "Median Federal Pell Grant Percentage" for your category of institutions, your institution meets the statutory needy student requirement threshold.

Example

2012 fall semester enrollment of half-time to full-time degree students (Part III, 1.C) = 1000
2012 fall semester Pell Grant recipients (Part III, 1.D) = 500
2012 Pell Grant percentage = 50% (500 divided by 1000)

Here are the median Federal Pell Grant percentages or thresholds for base year 2012-2013:

For two-year public institutions, the median = 34.7%
For two-year non-profit private institutions, the median = 38%
For four-year public institutions, the median = 45%
For four-year non-profit private institutions, the median = 44%

Since in our example, the institution’s Pell Grant percentage is greater than the median Pell Grant percentage for any category of institution, the example institution meets the needy student requirement.

ITEM 1.C. REQUESTING A WAIVER OF THE NEEDY STUDENT REQUIREMENT

If the institution does not meet the statutory needy student requirement, you may request a waiver of this requirement. Review the six possible waiver options below. These options correspond to the six options listed in the regulations at 34 CFR Part 606.3(b) and 34 CFR Part 607.3(b).

Select Part IV, Item 1.C, denoting that you are requesting a waiver.

After you review the six possible waiver options for the needy student requirement, select the option(s) that applies to your institution’s particular situation. You may apply for more than one option.
Prepare a separate narrative for each waiver option(s). Provide the required evidence for the chosen waiver option(s) and demonstrate that the waiver(s) applies to your particular institution. The narrative must contain compelling evidence. Mere statements of fact may not be enough to support your request. Provide supporting documentation (relevant studies, recent reports and/or data, etc.) to justify your request for a waiver. You may also upload supporting documentation when addressing the waiver(s).

You must respond to all components of the waiver option and provide supporting documentation (relevant studies, recent reports and/or data, etc.) to justify your request for a waiver.

**Needy Student Waiver Option #1, 34 CFR 606.3(b)(1) and 607.3(b)(1)**

Provide evidence that the state provided more than 30 percent of your institution’s budget for the 2012-2013 base year.

Provide evidence that your institution charged not more than $99.00 per student for tuition and fees for the 2012-2013 base year.

1. Identify the resources provided by the state, citing specific dollar amounts
2. Show actual tuition and fees charged per student
3. Provide the institution’s posted tuition and fees.

**Needy Student Waiver Option #2, 34 CFR 606.3(b)(2) and 607.3(b)(2)**

Provide evidence that at least 30 percent of the students served by your institution in the 2012-2013 base year were students from low-income families.

The regulations at 34 CFR Part 606.7(c) and 34 CFR 607.7(e) define a low income individual to be one from a family whose taxable income for the base year did not exceed 150% of an amount equal to the poverty level as determined by the U.S. Census Bureau. In the Federal Register Closing Date Notice, we stated the low-income figures for 2012.

Provide evidence (statistical and whole numbers baseline data) that verifies your claim that at least 30 percent of your enrolled students were from low-income families.

**Needy Student Waiver Option #3, 34 CFR 606.3(b)(3) and 607.3(b)(3)**

Provide evidence that your institution, in the base year, substantially increased the higher education opportunities for low-income students who were also educationally disadvantaged, or from groups underrepresented in postsecondary education, or were minority students.
The program regulations at 34 CFR 606.7(b) and 607.7(e) define "educationally disadvantaged," "minority student" and "underrepresented."

Include the following information:

1. A description of the student body characteristics, including the racial/ethnic composition and the number of low-income students, for the 2012-2013 base year.

2. The number of low-income students for the 2012-2013 base year that were also educationally disadvantaged, from groups underrepresented in postsecondary education, or minority students.

3. A description of the programs and services in place during the 2012-2013 base year that were specifically designed to increase the educational opportunities for the low income students who were also educationally disadvantaged, from groups underrepresented in higher education, or minority students.

4. A longitudinal progression detailing the number of these students served by the institution’s programs and services during the past five academic periods: 2008-2009, 2009-2010, 2010-2011, 2011-2012 and 2012-2013.

Needy Student Waiver Option #4, 34 CFR 606.3(b)(4) and 607.3(b)(4)

Provide evidence that your institution substantially increased the higher education opportunities in the 2012-2013 base year for individuals who resided in an area that is not included in a "metropolitan statistical area" (MSA) as defined by the Office of Management and Budget and who were underserved by other postsecondary institutions.

Include the following information:

1. The geographical areas of residence for enrolled students in the 2012-2013 base year including:
   a. The percentage of enrolled students from MSA.
   b. The percentage of enrolled students from locations outside MSAs.

2. In the supporting documents section, please upload a map or scale drawing showing the geographically isolated or rural nature of your institution’s location including:
   a. The institution’s geographic relationship to the nearest other institution(s) of higher education and nearest MSA.
   b. The mileage between the institution and other institutions.
   c. The mileage between the institution and the nearest MSA.

3. A description of the geographic barriers and climatic and other conditions that limit the options of individuals to attend other institutions.
4. A brief longitudinal progression detailing the number of enrolled students served by the applicant institution during the past five academic periods: 2008-2009, 2009-2010, 2010-2011, 2011-2012 and 2012-2013 who resided in areas outside the boundaries of an MSA.

**Needy Student Waiver Option #5, 34 CFR 607.3(b)(5)**

Provide evidence that your institution is located on or within 50 miles of an American Indian reservation or of a substantial population of American Indians, and that the institution will substantially increase higher education opportunities for American Indians.

When addressing "higher education opportunities for American Indians;” include both student enrollment and retention.

Include the following information:

1. A map or scale drawing showing your institution's location in relation to the American Indian reservation or population center.
   a. Include the mileage between the institution and the reservation or population center.

   a. Include the racial/ethnic composition and specifically identify the number and percentage of American Indian students by full-time and part-time status.

3. Describe the programs and services in place during the 2012-2013 base year and the two academic years following the base year (2013-2014 and 2014-2015) that were specifically designed to increase the higher educational opportunities for American Indians.

4. Describe your institution's plans to develop and implement programs and services specifically designed to increase the higher educational opportunities for American Indians.

5. Describe the institution's enrollment goals for American Indian students for these academic years (2012-2013, 2013-2014 and 2014-2015).
   a. Provide a detailed explanation of the institution's plans to meet these goals.
Needy Student Waiver Option #6, 34 CFR 607.3(b)(7):

Provide evidence that your institution will substantially increase higher education opportunities for Black or African Americans, Hispanic Americans, Native Americans, Asian Americans or Pacific Islanders, including Native Hawaiians.

Or

Provide evidence that your institution will substantially increase higher educational opportunities for Hispanic Americans (34 CFR 606.3 (b) (5).

When addressing "higher education opportunities" include both student enrollment and retention.

Include the following information:

1. A description of the student body characteristics for the 2012-2013 base year and the two academic years following the base year (2013-2014 and 2014-2015). Include the racial/ethnic composition and specifically identify the number and the percentage for each racial/ethnic group listed above by full-time and part-time status.

2. Describe the programs and services in place during the 2012-2013 base year and the two academic years following the base year (2013-2014 and 2014-2015) that were specifically designed to increase the higher educational opportunities for one or more of the racial/ethnic groups listed above.

3. Describe the programs and services your institution is currently developing that are specifically designed to increase the higher educational opportunities for one or more of the racial/ethnic groups listed above. Include the projected date(s) for the implementation of these programs and services.

4. Describe your institution's enrollment goals for one or more of the racial/ethnic groups listed above for these academic years (2012-2013, 2013-2014, and 2014-2015).
   a. Provide a detailed explanation of the institution's plans to meet these goals.
PART IV, ITEM 2. CORE EXPENSES REQUIREMENT

Your institution meets the Core Expenses requirement if its average Core Expenses per FTE student cited in Part III, Item 2.D, is less than the average Core Expenses per FTE for the same category of institution. The average 2012-2013 Core Expenses per FTE student for each category of institution is the following:

- Two-year public institution = $11,287 per FTE student
- Two-year non-profit private = $13,657 per FTE student
- Four-year public institution = $27,608 per FTE student
- Four-year non-profit private = $34,361 per FTE student

PART IV, ITEM 2.A

Check Item 2.A only if your institution’s 2012-2013 average Core Expenses per FTE are less than the average Core Expenses per FTE student for its category of institution.

PART IV, ITEM 2.B

If the institution does not meet the Core Expenses threshold, you may request a waiver of this requirement. Review the five possible waiver options below. These options correspond to the five options listed in the regulations at 34 CFR Part 606.4(d) and 34 CFR Part 607.4(d).

Select Item 2.B if your institution exceeded the Core Expenses threshold and you are requesting a waiver.

After you review the five possible waiver options for the needy student requirement, select the option(s) that applies to your institution’s particular situation. You may apply for more than one option.

Prepare a separate narrative for each waiver option(s). Provide the required evidence for the chosen waiver option(s) and demonstrate that the waiver(s) applies to your particular institution. The narrative must contain compelling evidence. Mere statements of fact may not be enough to support your request. Provide supporting documentation (relevant studies, recent reports and/or data, etc.) to justify your request for a waiver. You may also upload supporting documentation when addressing the waiver(s).

You must respond to all component of the waiver option and provide supporting documentation (relevant studies, recent reports and/or data, etc.) to justify your request for a waiver.
Core Expenses Waiver Option #1, 34 CFR 606.4(d)(1) and 607.4(d)(1)

**Low student enrollment** in the Fall 2012 distorted your institution’s Core Expenses per FTE undergraduate student and the institution’s eligible designation is otherwise consistent with the purposes of the Title III or Title V program.

Provide detailed evidence to support your claim that low student enrollment in 2012 distorted your Core Expenses.
   a. Show that enrollments in the years prior to and after 2012 were greater, citing specific numbers.
   b. Include comparisons with similar IHEs.

Core Expenses Waiver Option #2, 34 CFR 606.4(d)(2) and 607.4(d)(2)

Location of the institution in an unusually high cost-of-living area distorted your institution’s Core Expenses per FTE undergraduate student and the institution’s eligible designation is otherwise consistent with the purposes of the Title III or Title V program.

   1. Provide documentation from a governmental source to substantiate the high cost of living in the area.
   2. Provide documentation (statistics) from local, state and/or national sources.
      a. Include comparisons with similar IHEs.

Core Expenses Waiver Option #3, 34 CFR 606.4(d)(3) and 607.4(d)(3)

**High energy costs** distorted your institution’s Core Expenses per FTE undergraduate student and the institution’s eligible designation is otherwise consistent with the purposes of the Title III or Title V program.

   1. Provide documentation to substantiate the high energy costs.
      a. Provide comparisons with similar IHEs.

Core Expenses Waiver Option #4, 34 CFR 606.4(d)(4) and 607.4(d)(4)

An increase in State funding, that was part of a desegregation plan for higher education, distorted your institution’s Core Expenses per FTE undergraduate student and the institution’s eligible designation is otherwise consistent with the purposes of the Title III or Title V program.

   1. Provide documentation to substantiate your request.

Core Expenses Waiver Option #5, 34 CFR 606.4(d)(5) and 607.4(d)(5)

**Operation of high cost professional schools** such as medical and dental schools distorted your institution’s E&G expenditures per FTE undergraduate student, and the
institution’s eligible designation is otherwise consistent with the purposes of the Title III or Title V program.

1. Provide documentation to substantiate your request.
   a. Include enrollment and cost comparisons with similar IHEs.
PART V. CERTIFICATION

A duly authorized representative of the institution must check the box in Part V to certify that to the best of his or her knowledge that all data in the application are true and correct and that the applicant institution will comply with the required assurances. By checking this box and submitting this application, the applicant institution certifies that they meet the accrediting requirements, are licensed by the State to award associate, baccalaureate or post-baccalaureate degrees, and, if applicable, meet the definition of a branch campus.

Applications for Eligibility Designation; Programs under Parts A and F of Title III of the Higher Education Act of 1965, as amended (HEA), and Programs under Title V of the HEA.

AGENCY: Office of Postsecondary Education, Department of Education.

ACTION: Notice.

Overview Information:

This notice applies to the following programs:

1. Programs authorized under Part A, Title III of the HEA: Strengthening Institutions Program (Part A SIP), Alaska Native and Native Hawaiian-Serving Institutions (Part A ANNH), Predominantly Black Institutions (Part A PBI), Native American-Serving Nontribal Institutions (Part A NASNTI), and Asian American and Native American Pacific Islander-Serving Institutions (Part A AANAPISI).

2. Programs authorized under Part F, Title III of the HEA: Hispanic-Serving Institutions STEM and Articulation (Part F, HSI STEM and Articulation), Predominantly Black Institutions (Part F PBI), Alaska Native and Native Hawaiian-Serving Institutions (Part F ANNH), Native
American-Serving Nontribal Institutions (Part F NASNTI) and Asian American and Native American Pacific Islander-Serving Institutions (Part F AANAPISI).

3. Programs authorized under Title V of the HEA: Developing Hispanic-Serving Institutions (HSI) and Promoting Postbaccalaureate Opportunities for Hispanic Americans (PPOHA).

Notice inviting applications for designation as an eligible institution for Fiscal Year (FY) 2015.

**Dates:**
Deadline for Transmittal of Applications: December 18, 2014.

**Special Note:** Section 312 of the HEA and 34 CFR 607.2-607.5 include most of the basic eligibility requirements for grant programs authorized under Titles III and V of the HEA. Section 312(b)(1)(B) of the HEA provides that, to be eligible for these programs, an institution of higher education’s average “educational and general expenditures” (E&G) per full-time equivalent (FTE) undergraduate student must be less than the average E&G expenditures per FTE undergraduate student of institutions that offer similar instruction in that year.
34 CFR 607.4(a). Since 2004, the National Center for Education Statistics (NCES) has calculated core expenses (Core Expenses) per FTE of postsecondary institutions, a statistic similar to E&G per FTE. Both E&G per FTE and Core Expenses per FTE are based on regular operational expenditures of postsecondary institutions (excluding auxiliary enterprises, independent operations, and hospital expenses). They differ only in that E&G per FTE is based on fall undergraduate enrollment, while Core Expenses per FTE is based on 12-month undergraduate enrollment for the academic year. To avoid inconsistency in the data submitted to and produced by the Department, for the purpose of section 312(b)(1)(B) of the HEA, E&G per FTE will now be calculated using the same methodology as Core Expenses per FTE. Accordingly, with regard to this and future notices inviting applications, to calculate E&G per FTE for the purpose of determining institutional eligibility for programs under Part A and Part F of Title III and Title V of the HEA, the Department will apply the NCES methodology for calculating Core Expenses per FTE. Institutions applying for eligibility must use the Core Expenses per FTE data reported to NCES’s Integrated Postsecondary Education Data System (IPEDS) for the most currently available academic year, in this case 2012-2013.
Full Text of Announcement

I. Funding Opportunity Description

Purpose of Programs:

The Part A SIP, Part A ANNH, Part A PBI, Part A NASNTI, and Part A AANAPISI programs are authorized under Title III, Part A, of the HEA. The HSI and PPOHA programs are authorized under Title V of the HEA. The Part F, HSI STEM and Articulation, Part F PBI, Part F AANAPISI, Part F ANNH, and Part F NASNTI programs are authorized under Title III, Part F of the HEA. Please note that certain programs in this notice have the same or a similar name as another program that falls under a different statutory authority. For this reason, we specify the statutory authority as part of the acronym for certain programs.

Under the programs discussed above, institutions of higher education ("IHEs" or "institutions") are eligible to apply for grants if they meet specific statutory and regulatory eligibility requirements. An IHE that submits an application and is designated as an eligible institution may also receive a waiver of certain non-Federal cost-sharing requirements for one year under the Federal Supplemental Educational Opportunity Grants (FSEOG) program authorized by Part A, Title IV of the HEA and the Federal Work-Study Program (FWS) program authorized by section 443
of the HEA. Qualified institutions may receive the FWS and FSEOG waivers for one year even if they do not receive a grant under the Title III or Title V Programs. An applicant that receives a grant from the Student Support Services (SSS) program that is authorized under section 402D of the HEA, 20 U.S.C. 1070a-14, may receive a waiver of the required non-Federal share for institutions for the duration of the grant. An applicant that receives a grant from the Undergraduate International Studies and Foreign Language (UISFL) program that is authorized under section 604 of the HEA, 20 U.S.C. 1124, may receive a waiver or reduction of the required non-Federal share for institutions for the duration of the grant.

**Special Note:** To qualify as an eligible institution under the grant programs listed in this notice, your institution must satisfy several criteria. For most of these programs, these criteria include those that relate to the enrollment of needy students and to Core Expenses per FTE for a specified base year. The most recent data available for Core Expenses per FTE are for base year 2012-2013. In order to award FY 2015 grants in a timely manner, we will use this data to evaluate eligibility. Therefore, in completing your eligibility application, please use Core
Expenses per FTE reported to IPEDS for academic year 2012-2013.

Accordingly, all institutions interested in applying for a new grant under the Title III or Title V programs addressed in this notice or in requesting a waiver of the non-Federal cost share, must apply for eligibility designation for FY 2015. Under the HEA, any IHE interested in applying for a grant under any of these programs must first be designated as an eligible institution. (34 CFR 606.5 and 607.5).

ELIGIBLE APPLICANTS:

The eligibility requirements for the programs authorized by Part F of Title III of the HEA are in Section 371 of the HEA (20 U.S.C. 1067q). We are developing regulations for these programs; there are currently no specific program regulations.

The requirements for the PPOHA Program are in Part B of Title V of the HEA and in the notice of final requirements published in the Federal Register on July 27, 2010 (75 FR 44055), and in 34 CFR 606.2(a) and (b), and 606.3 through 606.5.

**ENROLLMENT OF NEEDY STUDENTS:** For the Title III, Part A SIP; Part A ANNH; Part A NASNTI; Part A AANAPISI Part A PBI;

Title III, Part F HSI STEM and Articulation; Part F AANAPISI; Part F NASNTI; Part F ANNH; Part F PBI; HSI and PPOHA programs, an institution is considered to have an enrollment of needy students if: (1) at least 50 percent of its degree students received financial assistance under: the Federal Pell Grant, FSEOG, FWS, or the Federal Perkins Loan Programs; or (2) the percentage of its undergraduate degree students who were enrolled on at least a half-time basis and received Federal Pell Grants exceeded the median percentage of undergraduate degree students who were enrolled on at least a half-time basis and received Federal
Pell Grants at comparable institutions that offer similar instruction.

To qualify under this latter criterion, an institution’s Federal Pell Grant percentage for base year 2012-2013 must be more than the median for its category of comparable institutions provided in the 2012-2013 Median Pell Grant and Core Expenses per FTE Student Table in this notice.

For the definition of “Enrollment of Needy Students” for purposes of the Part A PBI Program, see section 318(b)(2) of the HEA, and for purposes of the Part F PBI program see section 371(c)(9) of the HEA.

CORE EXPENSES PER FTE STUDENT: For the Title III, Part A SIP; Part A ANNHI; Part A PBI; Part A NASNTI; Part A AANAPISI; Title III, Part F HSI STEM and Articulation; Part F PBI; Part F AANAPISI; Part F ANNHI; Part F NASNTI; HSI and PPOHA programs, an institution should compare its base year 2012-2013 Core Expenses per FTE student to the average Core Expenses per FTE student for its category of comparable institutions in the base year 2012-2013 Median Pell Grant and Average Core Expenses per FTE Student Table in this notice. The institution meets this eligibility requirement under these programs if its Core Expenses for the 2012-2013
base year are less than the average for its category of comparable institutions.

Core Expenses are defined as the total expenses for the essential education activities of the institution. Core Expenses for public institutions reporting under the Governmental Accounting Standards Board (GASB) standards include expenses for instruction, research, public service, academic support, student services, institutional support, operation and maintenance of plant, depreciation, scholarships and fellowships, interest and other operating and nonoperating expenses. Core Expenses for institutions reporting under the Financial Accounting Standards Board (FASB) standards (primarily private, not-for-profit and for-profit) include expenses for instruction, research, public service, academic support, student services, institutional support, net grant aid to students, and other expenses. For both FASB and GASB institutions, core expenses exclude expenses for auxiliary enterprises (e.g., bookstores, dormitories), hospitals, and independent operations. The following table identifies the relevant median Federal Pell Grant percentages for the base year 2012-2013 and the relevant Core Expenses per FTE student for the base year 2012-2013 for the four categories of comparable institutions:

**Waiver Information:** IHEs that are unable to meet the needy student enrollment requirement or the Core Expenses per FTE requirement may apply to the Secretary for waivers of these requirements, as described in sections 392 and 522 of the HEA, and the implementing regulations at 34 CFR 606.3(b), 606.4(c) and (d), 607.3(b), and 607.4(c) and (d).

IHEs requesting a waiver of the needy student enrollment requirement or the Core Expenses per FTE requirement must include in their application detailed information supporting the waiver request, as described in the instructions for completing the application.

The regulations governing the Secretary’s authority to waive the needy student requirement, 34 CFR 606.3(b)(2) and (3) and 607.3(b)(2) and (3), refer to “low-income” students
or families. The regulations at 34 CFR 606.3(c) and 607.3(c) define “low-income” as an amount that does not exceed 150 percent of the amount equal to the poverty level, as established by the U.S. Census Bureau.

For the purposes of this waiver provision, the following table sets forth the low-income levels for the various sizes of families:

Note: We use the 2012 annual low-income levels because those are the amounts that apply to the family income reported by students enrolled for the fall 2012 semester. For family units with more than eight members, add the following amount for each additional family member:
$5,940 for the contiguous 48 States, the District of Columbia, and outlying jurisdictions; $7,425 for Alaska; and $6,825 for Hawaii.

The figures shown under family income represent amounts equal to 150 percent of the family income levels established by the U.S. Census Bureau for determining poverty status. The poverty guidelines were published by the U.S. Department of Health and Human Services in the Federal Register on January 26, 2012 (77 FR 4034).

a Federal holiday, the next business day following the Federal holiday), you mail or fax a written statement to the Department, explaining which of the two grounds for an exception prevents you from using the Internet to submit your application. If you mail your written statement to the Department, it must be postmarked no later than two weeks before the application deadline date. If you fax your written statement to the Department, we must receive the faxed statement no later than two weeks before the application deadline date.

Your paper application must be submitted in accordance with the mail or hand delivery instructions described in this notice.

Submission of Paper Applications by Mail.

If you qualify for an exception to the electronic submission requirement, you may mail (through the U.S. Postal Service or a commercial carrier) your application to the Department. You must mail the original and two copies of your application, on or before the application deadline date, to the Department at the following address:

(1) A private metered postmark.

(2) A mail receipt that is not dated by the U.S. Postal Service.

If your application is postmarked after the application deadline date, we will not consider your application.

Note: The U.S. Postal Service does not uniformly provide a dated postmark. Before relying on this method, you should check with your local post office.

Submission of Paper Applications by Hand Delivery.
If you qualify for an exception to the electronic submission requirement, you (or a courier service) may deliver your paper application to the Department by hand. You must deliver the application, on or before the application deadline date, to the Department at the following address:

Nancy Regan  
U.S. Department of Education  
1990 K Street, NW., Room 6032  
Washington, DC  20006-8513

Hand delivered applications will be accepted daily between 8:00 a.m. and 4:30 p.m., Washington, DC time, except Saturdays, Sundays, and Federal holidays.

**Applicable Regulations:** This notice inviting applications (NIA) is being published before the Department adopts the Uniform Administrative Requirements, Cost Principles, and Audit Requirements in 2 CFR part 200. We expect to publish interim final regulations that would adopt those requirements before December 26, 2014, and make those regulations effective on that date. Because grants in the programs to which this separate application process applies will likely be made after the Department adopts the requirements in 2 CFR part 200, we list as applicable regulations both those that are currently effective and
those that will be effective at the time the Department makes grants.

The current regulations follow: (a) The Education Department General Administrative Regulations (EDGAR) in 34 CFR parts 74, 75, 77, 79, 80, 82, 84, 86, 97, 98, and 99. (b) The OMB Guidelines to Agencies on Governmentwide Debarment and Suspension (Nonprocurement) in 2 CFR part 180, as adopted as regulations of the Department in 2 CFR part 3485.

At the time we award grants under this NIA, the following regulations will apply: (a) EDGAR in 34 CFR parts 75, 77, 79, 82, 84, 86, 97, 98, and 99. (b) The OMB Guidelines to Agencies on Governmentwide Debarment and Suspension (Nonprocurement) in 2 CFR part 180, as adopted as regulations of the Department in 2 CFR part 3485 and the Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards in 2 CFR part 200, as adopted in 2 CFR part 3474.
