MONTANA STATE UNIVERSITY NORTHERN ACADEMIC SENATE BY-LAWS

Amended 02/09/2016

PREAMBLE

To assure the orderly development of educational policies, to facilitate communications and cooperation among officers of the administration and the faculty of the University; to promote and defend academic freedom and the unfettered exchange of ideas; to promote the stable and continued educational programs at Montana State University Northern, we, the faculty at Montana State University Northern, do hereby subscribe to this document as a constitutional statement of the Academic Senate and its various functions and responsibilities.

ARTICLE I

NAME

The organization herein defined will be known as the Academic Senate of Montana State University Northern.

ARTICLE II

MEMBERSHIP

The Academic Senate will consist of ten members: four from the College of Education, Arts and Sciences, and Nursing, four from the College of Technical Science, one member elected at-large, and one member elected to represent Graduate Programs. The Provost and Vice Chancellor for Academic Affairs serves in a non-voting, advisory capacity.

It is the responsibility of members of the Academic Senate to assess the attitudes and viewpoints of the constituency which elects them. It is expected that all members of the Academic Senate will represent the entire University.

Section 1. Qualifications for Senators

Senators will have completed at least three (3) consecutive academic years as a member of the Collective Bargaining Agreement (CBA) at MSU Northern at the time of assuming office.

The Representatives-At-Large will be nominated by a petition signed by at least ten members of the faculty. Candidates will indicate by their signatures on the petition their willingness to serve if elected. See Appendix A for petition form.

Section 2. Qualification for Electors

For voting purposes, faculty will be defined as those holding full-time teaching positions as defined by the CBA. The Academic Senate Vice President will provide a list of eligible electors at the beginning of each semester to the Academic Senate and the Academic Senate President. At-large candidates will be elected by a vote of the faculty.

Section 3. Term of Service

Senators will be elected by the faculty from each of their respective colleges for a term of three years. Colleges will stagger the terms of the senators when at all possible.

Montana State University Northern Academic Senate By-Laws

Section 4. Credentials

To implement Section 1 and 2 of this article, the Senate will rule on questions relating to qualifications of electors and senators.

Section 5. Vacancies

When there is a vacancy on the Academic Senate, a replacement for the remainder of the term will be chosen as follows:

The Election Committee (see By-Laws Article III, Section 1.2) will hold a special election within one month of the determination of the vacancy. Vacancies will be deemed to occur for any of the following reasons: prolonged absences as determined by the membership of the Senate; leaves with or without pay; resignation or recall from the Senate; or termination of employment. If no candidate files for that vacancy, it will be filled by the Senate President with a person from that college, who will then serve until a successor is chosen at the next regular election. If only one candidate files a nominating petition for such a vacancy, the Election Committee will not conduct an election but will so report to the Senate President, and the Senate will declare the single candidate elected.

Should a vacancy occur in the office of the Vice President, the Senate will elect a replacement to serve for the balance of the term. In the event that the office of the Senate President becomes vacant, the Vice President will automatically succeed to the position.

ARTICLE III

OFFICERS AND ELECTIONS

The officers of the Academic Senate are a President and a Vice-President. The Vice President is elected for a two year term by the Senate at the first senate meeting of alternating Fall terms. Upon completion of a term as Vice President, the Vice-President succeeds to Office of President on the day after Commencement.

Section 1. Elections

Section 1.1. Dates

Regular elections will be held annually during the first week of Fall semester, with the elected Senators' terms starting the first day of the first full week of classes for the Fall semester. Special elections will be held within one month for the unexpired term in cases of vacancies.

Section 1.2. Election Committee

To implement this Section of this Article, the Senate will appoint an ad hoc election committee to conduct elections. The Vice-President (VP) (or a designee of the President if there is no VP) of the Senate will oversee all elections.

Section 1.3. Procedures

Procedures and forms for faculty elections will be determined by the Election Committee of the Senate.
