To the best of my knowledge, the above information is correct. I permit the release of my academic, financial, and biographical information to MSU-Northern in order to be considered for the MSU-Northern New Student Scholarships. I understand that any potential scholarship(s) I receive may be dependent on the academic programs I select at Northern, the academic status maintained, and on the information that is provided on this application.

Applicant's Signature _____ Date _____

New Student

Scholarship Application Checklist

It is recommended that all supporting documents be attached before sending your application. Scholarship applications are only considered complete when all documents have been received in the Financial Aid Office. The priority deadline for application review is February 14, 2012. New Student Scholarship funds are based on fair market value and are subject to change.

(Check boxes to confirm materials are attached)

Personal Essay

A typed essay including information about why you plan to enroll in your preferred major at MSU-Northern, current involvement in community and/or school activities, work experience, and any other relevant information you would like for the scholarship committee to consider. Please include the reason you need a scholarship or why this scholarship will help you achieve your educational goals. An essay must be submitted with all applications.

Working Copy of Current Transcript

- High school seniors must provide a current transcript with a posted cumulative GPA.
- GED students must provide test score reports.
- Transfer students must submit a working copy of transcripts from the last institution attended or currently attending with a posted cumulative GPA. (Graduate students do not qualify for New Student Scholarships)

Letter of Recommendation

At least one letter of recommendation from a professor, advisor, employer, or other non-relative, who can attest to your academic achievements and abilities, is required to be considered for scholarships.

ACT/SAT scores

Please provide a score report if you have taken the ACT or SAT. These scores are used for consideration in many of our scholarship awards. If you have not taken the ACT or SAT or your scores have not yet been returned, please indicate your test date on the application. (Transfer students with 15 or more credits do not need ACT/SAT scores)

Mail Application

Return the completed scholarship application along with all supporting documents to the Address below. Scholarship applications must be postmarked on or before February 14, 2012 to meet the priority deadline.
