

MEAL PLAN OR A LA CARTE DOLLARS ENROLLMENT FORM

This form is intended for enrolling students who do not live in University-owned housing in a meal plan, or when adding A La Carte dollars to any student's account.

University Dining Services offers a convenient option for students looking for flexible, high-quality food experiences while attending MSU-Northern. There are three ways students can access meals in the Food Court on campus:

- The Unlimited Meal Plan – Students who enroll in the University meal plan will have unlimited access (during operating hours) to whatever is being served in the Food Court. Additionally, students are provided \$150 Flex to spend in the convenience store. Flex dollars do not carryover from semester to semester.
- A La Carte – Students interested in adding dollars to their Student ID for use in the Food Court or the convenience store can do so at any time and in any amount. Students can use these dollars to pay for access to the Food Court, paying the daily door rate each time they swipe in.
- Cash or Credit – Students can pay with cash or credit/debit cards at the door as well. Daily rates for breakfast, lunch, or dinner access to the Food Court are set each semester and posted at the entrance to the Food Court.

All MSU-Northern meal plans or A La Carte dollars are accessed through your University Student ID. If your financial aid package allows, financial aid dollars may be applied to your meal plan or to A La Carte dollars.
