- 6:00 p.m. WBB vs. Calgary

SUNDAY, OCTOBER 15, 2006

- 10:00 a.m. Volleyball vs. Alumni
- 2:00 p.m. WBB vs. Regina
- 4:00 p.m. UGF vs. Calgary

Homecoming Football Game

There are a lot of excellent athletic events going on this weekend but we want to encourage everyone to attend the Northern football game tomorrow at 1:00. It is our annual Homecoming game and the Homecoming King and Queen will be crowned during half-time. Northern will be playing UM-Western. We are currently ranked second in our league and ninth in the nation. Come, and support our team!

Construction Update

Pershing Hall Update – The fin-tube is in place and the boilers have arrived and are being installed. The roof top unit has arrived but will not be installed until they finish hooking up the main boilers. It will probably be three weeks before they have heat in that building. After the heating system is finished they will be going through the building doing some repair and painting. The building is scheduled to be reopened next semester.

Parking Lot Update – The concrete crew is currently planning on working through the weekend to get the curbs and sidewalks finished. (Providing the good weather holds) If that happens they hope to lay the asphalt next week.

Landscaping – The landscaping crew has to make a difficult decision because they have to wait until Northwest Energy finishes running the power for the light poles before they can lay the sod. They need three weeks of warmer weather (33-60 degrees) for the sod to take. Once the power is finished they will have to take a look at the weather to determine if they will be able to lay the sod now or wait until next spring. At the moment they are leaning on waiting until the spring.

New Sign – Montana Sign Company has informed us that the new computer sign is in and they hope to install it next week. They were able to get a variance from the city to locate the sign closer to the road than usually

allowed. This requires us to run new power and computer lines before the sign can be hooked up. If everything goes according to plan they should have the sign operational by the end of next week. This sign is a great addition to the campus and was paid for by the Student Senate through the various concerts and fundraisers they have held over the past three years. We also want to thank the Montana Sign Company, Northern Montana Hospital, the Havre Daily News, New Media Broadcaster and North Winds Casino for their contributions and sponsorship of the various concerts and activities.

Cafeteria Menus

Northern's cafeteria menus are now available through the Food Services page on the portal.

Agriculture Student Scholarships

Cheri Jimeno attended a monthly meeting of the Havre Area Chamber of Commerce Agribusiness Committee. She reported that the committee recently held their annual Farmer/Rancher Ag Appreciation Banquet with about 500 attending. The committee held a silent auction during the banquet with items donated by area businesses. Proceeds of the silent auction were to go to agriculture student scholarships at MSU-Northern. \$1200.00 will be placed into a CD by the Agribusiness Committee for that purpose. The award(s) will be given during our spring Award's Day. So, if you see any committee members, thank them. They have been most supportive of our Agriculture Technology programs and students at Northern!

Career Center News
