## Northern's Accreditation Reaffirmed

This Tuesday Chancellor Rolf Groseth received the letter for the Northwest Commission on Colleges stating that they had reviewed our self-study and the report from the visiting team and had decided to reaffirm our accreditation for another ten years. They will have an interim visit by one or more Commission representatives in the spring of 2009 to review our progress on their recommendations.

## New Student Regent Needed

Students are to submit their names to the Northern Student Senate. Each campus will bring their recommendation to the March Board of Regent meeting where the Montana Association of Students will interview candidates and send three names to the Governor for final selection. The person selected must commit to spending a lot of time on Board of Regents business.

## **How I Learned to Drive**

Montana Actors Theatre is pleased to present the play “How I Learned to Drive”. This Pulitzer Prize-winning play is about physical disassociation; about owning your body and your memories; about the emotional changes

in a teenager's psyche, about the physical changes in a woman's body, and about the way the one fits into the other. This is where the imagery of driving, steering and shifting and the way the play's narrative commutes between the past, present and future. This is for an adult audience.

Co-Directed by Northern's own Brenda Skornogoski and Jay Pyette, show dates are February 6- 9 and 13-16. Tickets are available at the door for \$10.00/ person and free to students with current student IDs. Students are encouraged to pick up your tickets in advance at the SUB info desk.

## **Local Executive Board**

Members of the Local Executive Board are appointed by the Governor and serve as an advisory board to the Chancellor and his Executive Staff. This board meets four-times a year and consists of three community members who help provide community input on key institutional decisions. They also foster increased public awareness and encourage discussion and support of steps and plans to enhance Northern's ability to carry out its mission, especially through contact with community opinion leaders. We want to thank (L to R) Jupe Compton, Pam Hillary, Rolf Groseth, and Darrel Briese, and for their willingness to serve on this committee.

## **Library Corner**

By: Vicki Gist

*Hearts West* by Chris Enss (HQ802.E575 2005) is a recent addition to the library. This book is captivating, intriguing and interesting. It is about the mail order bride business that was popular at the turn of the century. It includes many quotes taken from people's diaries and newspaper ads. The book not only shows the stories that ended well, but also includes stories that were sad. It has a familiar ring to today when you consider eHarmony and Match.com. There have always been lonely people looking to find someone to share their lives with. I recommend this book because it is easy to read, historically sound and short (the newspaper ads are especially entertaining). There is a very detailed bibliography if you want to find out more on this subject. (Review by Belinda Potter)

There has been an addition to the Japan display of books and artifacts. Amber Brinkman loaned her antique WW II era Japanese camera for the display. Be sure to come over to see the unique camera.

Campus Coffee Cart beverage specials for Feb. 11-15 are a Caramel Nut Latte (with caramel and hazelnut syrups) and a Caramel Apple Italian Soda (with apple and caramel syrups).

## **Career Center News**

By Terry Lillevedt

Several Career Fairs are scheduled around the state during February. Northern students are invited and encouraged to attend these fairs. Information about the fairs and the employers planning to attend are available on the web sites listed below. Please take some time to review these web sites and the employers scheduled to attend to determine if attending one (or possibly more) of these fairs may be worthwhile. Remember, career fairs are a wonderful opportunity for students to interact, one-on-one, with potential employers looking for both full-time and Co-op employees. While students are not normally hired at a career fair, it is an important first step in the employment process. Some fairs also include interviewing on the day following the fair. If you are interested in signing up for interviews following the fairs please contact Terry in the Career Center. Upcoming Career Fairs include:

MSU-Billings Career Services is hosting the 11th Annual Career Fitness Fair on Thursday, 2/14/08 from Noon - 3pm. It will be held in the Student Union Building on MSU-Billings' campus. The Employer Directory along with more information is available on their web page at [www.msubillings.edu/careers](http://www.msubillings.edu/careers).

The University of Montana is sponsoring its Annual Big Sky Career Fair on Wednesday, 2/20/08 from 9am - 3pm. It will be held in the University Ballroom. More information is available on their web page at [www.umt.edu/career](http://www.umt.edu/career).

MSU-Bozeman will host a couple of fairs in February. The first being the 5th Annual Cultivate Montana Agriculture Industry Fest on Wednesday, 2/6/08 from 10:30am - 1:30pm in the Strand Union Ballroom A. The 3rd Annual Almost Spring Job and Internship Fair will be held on Thursday, 2/21, 9am - 3pm in the Strand Union Ballrooms. More information is available on their web page at [www.montana.edu/careers](http://www.montana.edu/careers).

If you have questions concerning the Career Fairs, please see Terry or Jennifer in the Career Center located in Donaldson Hall.

## **Computer Tip of the Week** **Rename Multiple Files Sequentially**

By: Marianne Hoppe

If you have numerous files you want to rename (for example, photos from a digital camera), here is how you can rename them sequentially all at once:

1. Select the group of files you want to rename. (Click on the first file, hold the **Shift** key down and click on the last file. If the files are not adjacent to each other, you can press the **CTRL** key and click each item in the list you want to select.)
2. Right click on the **FIRST** selected file and rename it. The remaining files will follow suit.

For example, if you rename the first file from *20070605-115143.jpg* to *Yellowstone.jpg*, the rest of the select files will be renamed *Yellowstone (1).jpg*, *Yellowstone (2).jpg*, etc.
