

ZIV CONCERT

Last night MSU-Northern Student Activities presented the contemporary rock band "ZIV". "ZIV" is a story about ambition and love for music. About a band that formed not to be famous or to achieve great wealth, but rather to make beautiful music. Their debut album "Fearless" won "Independent Record of the Year" by melodic.net in 2007. Chinese Auction This Weekend

This Saturday, September 12 is the Alumni Scholarship Social & Auction in the SUB beginning at 6:00 p.m. We begin serving tacos and chili at 6:00 p.m. followed by the popular Chinese auction featuring merchandise donated by the Havre area businesses and individuals. Guest auctioneers describe donated items while a hidden time clock ticks off the minutes. Bidders in the audience hold up dollar bills that are collected in quick succession by alumni volunteers when their number is called. The last dollar collected the moment the clock runs out wins that prize.

You don't need to be a Northern Alumni to attend. The proceeds help support 16 \$750.00 scholarships and special projects for our campus. We hope that you can all buy a \$15.00 ticket and enjoy this FUNdraiser. Tickets are available on campus from any board member or Judy Bricker in the Alumni Office at 3770.

Festival Days Parade

Greg Kegel has graciously agreed to open the large work room in the Applied Technology Center for the week before the parade for people to work on their floats. Please let Jim Potter ext. 3727 know if you would like to work on your float in the ATC. Jim will provide each float with two large MSUN logos to put on your float so people will know your organization or club is part of the Northern Family.

We will start to line-up for the parade at 9:00 a.m. All participants will need to enter the HHS parking lot from the 17th Street entrance on the North side of the HHS. Northern is at the beginning of the parade so we will line-up along the side of the road in front of Rod's Drive-in.

How to Respond to H1N1

It is expected that the first cases will be within the first few weeks of school with the peak of any outbreak being mid-October.

Recommended strategies:

- Preventative hygiene: regularly clean high-touch surfaces (door knobs, tables/desk, keyboards/mouse, telephones, and banisters. Wash hands frequently, carry hand sanitizer.
- Self isolate until 24 hours after fever is gone - minimal/no contact with others
- Report illness to Assistant Dean of Students at 265-4113 so isolation plans can be implemented (including meal delivery)
- Seek medical attention if you have a medical condition that puts you at increased risk of severe illness.
- Get your vaccination as soon as available - anticipate mid October

Symptoms:

Fever, cough, sneezing, chills, body aches, sometimes diarrhea or vomiting. Not all people develop a significant fever; they can still infect others and should remain isolated.

General Treatment:

Rest, plenty of fluids to avoid dehydration, pain/fever reducer (Advil/Tylenol), cough suppressant, Tamiflu (started within 24 hours)

Remember, Illness does not excuse you from meeting course requirements and the Assistant Dean of Students will work with you for class work if necessary while you are in isolation.

Library Corner

by Vicki Gist

Welcome to another great year at the MSUN Library. It's the year of the Polar Bear at the Library. Come over and see all the great displays that feature Northern's Polar Bear mascots Aurora and Boris.

The new book display has the latest books that have come into the library and are ready to be checked out. Check the display often, as there are new books put out every week or two. You can also go to the Library's Quick Links, on the Library home page, and get to a list of new items.

The library has several new databases including the Small Business Resource Center, Career Library, Environment Complete, GreenFILE, and Small Engine Repair Reference Center. The Library provides access to approximately 70 different databases. Using these databases, and other library resources, you can find information on almost any topic of interest.

The Coffee Cart continues to be a convenient place to get a hot or cold beverage and a snack. Have an old favorite or try the weekly special.

The Library is open Sunday from 1:00 PM-9:00 PM; Monday-Thursday from 7:30 AM-9:00 PM; and Friday from 7:30 AM-5:00 PM. The Coffee Cart closes one hour earlier. Exceptions to these hours can be found on the Library's home page <http://www.msun.edu/infotech/library/>. We look forward to seeing you this year!

- To select a word, double-click it.
- To select a single line of text, click in the left margin next to the line.
- To select a sentence, hold down [Ctrl] and then click anywhere in the sentence.
- To select a paragraph, click three times in the paragraph -OR- click twice in the left margin next to the paragraph.
- To select the entire document, click three times in the left margin.

This past year Stacie Barker concluded her amazing career at Northern by averaging five blocks per game. This is a NAIA record for the most block shots per game in a two year career. Did you know that Stacie is the only women's basketball player in the Frontier Conference history to currently hold a national NAIA record?
