Youth Build Receives 1.1 Million Dollars

Northern will receive 1.1 million dollars to run the next two years of its Youth Build Program. YouthBuild assists out-of-school youth in obtaining their diplomas or GEDs while providing occupational training in the construction industry. The Labor Department has administered YouthBuild since 2006, awarding the first grants in 2007. In that time, more than 16,000 young people have participated in programs in 45 states, the District of Columbia and the Virgin Islands. YouthBuild participants include individuals who have been in the juvenile justice system, youth aging out of foster care, high school dropouts and others. In addition to receiving academic and occupational skills training, young people develop leadership skills and participate in community service opportunities.

SIFE Leadership Award

These students were recipients of the SIFE Leadership Award. To qualify, students must have donated 100 or more hours of their time to SIFE projects during the year.

Foundation Starts Video Project

The MSU-Northern Foundation has hired Abi Ita, a student in MSU-Bozeman's film program, to do an internship this summer with the purpose of producing a video for their upcoming capital campaign. This video will feature testimonials from current philanthropists who have helped support Northern in the past. It will also show the current needs and how people can help.

Upward Bound Program

One of the groups currently on campus, is the North Central Montana Upward Bound program. This is a Federally Funded TRIO program that is based out of Fort Belknap. The program has a five week residential summer component and they will be staying in Morgan Hall until July 7th. The summer Upward Bound component will also be utilizing office space and the lounge in Morgan Hall.

The high school students attend classes Monday through Friday. These classes are coordinated and taught by Upward Bound Staff. The Bridge students (those that just graduated from high school) will be taking a few Northern courses. Thus these students are Northern students.

On another note this will be the 22nd consecutive summer that they have been on our campus.

Thank you for being patient and working with these potential Northern students, your cooperation is very much appreciated. If you get a chance, please take a moment and talk with them.

If you have any questions, please Bill Lanier or the Upward Bound Office in Morgan Hall at ext. 4110.
