MSU-Northern Celebrates Homecoming

The campus was a buzz of activity as students participated in homecoming activities. One of the exciting new additions to homecoming was the door-decorating contest. Ten departments from around campus demonstrated their school spirit by decorating a door with the theme of “Fall Sports.” The doors were judged for creativity, Northern pride, and how well the theme was followed. Departments received additional points by wearing Northern gear and emailing a selfie to the Chancellor’s office. The winning door will be announced during the homecoming football game on Saturday, Sept.15.

The MSU-Northern Lights Basketball Team showed their school colors at the Glow Run.

Hannah Lunak Named September Artist of the Month

Painting Titled: Tipis

The MSU-N Office of Diversity Awareness and Multicultural Programs (ODAMP) is pleased to open this school years' artist of the month series with the artwork of Hannah Lunak. Lunak is a senior at Havre High School. Although Lunak has been drawing and painting as long as she can remember, it was during her middle school years in the fine arts class (Havre Middle School) that she really got deeply engaged as an artist. Lunak likes to draw, paint, take photographs, and engrave in wood.

MSU-Northern Remembers Dan Yeager's Historic TD

A little over 20 years ago (on Saturday, August 29, 1998, at Rocky Mountain College), Northern played its first college football game in 26 years. Here is that first TD reception in over 26 years by Dan Yeager. Dan is currently an assistant coach at Choteau High School

Last week I started to highlight former Northern Light football players and coaches on where they are currently coaching football. Here is the updated list. The *italics>* indicate they are new additions from last week. Special thanks to all of the people who submitted names.
