MSU-Northern Community Orchestra Helps with Anastasia

The MSU-Northern Community Orchestra has a long-standing tradition of providing the pit orchestra for Montana Actors Theatre and Havre High School musicals. The exciting thing about Anastasia is it is a collaborative creative effort between all three organizations. Not too many high school theatrical productions have that level of professionalism behind them. The MSUN Community Orchestra has played for shows like Man of La Mancha, Joseph and the Coat of Many Colors, Anne, Tarzan, Hairspray, and many more.
Anastasia Runs for the Next Two Weekends - March 24-26, 31, April 1-2

HHS, MAT, and the MSUN Community Orchestra are pleased to present their version of the Broadway musical Anastasia. From Tony winners Terrence McNally, Stephen Flaherty, and Lynn Ahrens, creators of such Broadway classics as Ragtime and Once On This Island, this dazzling show transports its audience from the twilight of the Russian Empire to the euphoria of Paris in the 1920s, as a brave young woman sets out to discover the mystery of her past. Pursued by a ruthless Soviet officer determined to silence her, Anya enlists the aid of a dashing con man and a lovable ex-aristocrat. Together, they embark on an epic adventure to help her find home, love, and family.

Faculty and Staff Use Games to Help with Mental Wellness

Casey Donoven hosted a Wellness Wednesday during spring break to demonstrate that improving your wellness can be fun! Cognitively, board games can help improve memory, creativity, concentration, and a sense of strategy. These games have even been found to reduce risk for dementia and Alzheimer's. Socially, they can help improve relationships with friends, family, and even co-workers. Many people who play board games do so because it helps reduce their stress.
The NNN took a week off for spring break but the MSU-Northern Appreciation Spotlight continued to shine brightly as it roamed the halls of Cowan Hall and traveled across campus to visit the physical plant. The Chancellor made personal visits to University Relations, College of Health Sciences, the Facilities/Grounds, and Business Services offices. These offices include the following staff members:
