TOTAL CREDITS 16

SENIOR YEAR SPRING	CREDITS	COMPLETED
EDU 495 Student Teaching EL K-8 or ES K-12	12	<input type="checkbox"/>

TOTAL CREDITS 12

THE VALUE OF YOUR ELEMENTARY EDUCATION DEGREE

An elementary education degree from Montana State University-Northern prepares you for a successful teaching career that focuses on children in the early grades. Graduates of the elementary education program will be eligible to apply for K-8 teaching licensure.

Learn the fundamental teaching skills in MSU-Northern's elementary education program, which includes courses in pedagogy, child development and elementary school curriculum. Earn a Bachelor of Science degree in elementary education with a subject area of concentration. Enhance personal development through an innovative Montana elementary teacher education program that incorporates extracurricular experiences and electives into the course of study.

Candidates earning MSU-Northern's elementary education degree will be recommended for a Standard Class II Educator License (grades K-8).

15 TO FINISH

WANT TO GRADUATE ON TIME? SAVE MONEY? GET BETTER GRADES?

15

You're going to need 15. That's the number of credits you need to take each semester to graduate on time. Sure, you can take less and still receive some scholarships and funding. But unless you take 15 credits a semester (or 30 a year), you're looking at an extra year or more in order to graduate. Know the courses you need to graduate, and meet with your advisor to map out a plan to earn your degree on time.
